

# Rosenfarb LLC invites you to a very unique presentation

*How forensic handwriting identification will assist you and your clients in reducing and recovering fraud losses*

## About the Presentation:

Ruth Brayer, President of Brayer Handwriting International, has special expertise solving complex forgery problems. She will present this highly interactive program which provides a deeper understanding of fraud and forgery, as well as techniques to detect and reduce fraud losses. Attendees walk away feeling more confident, able to expedite the investigative process and ultimately win the case.
